WHY HOME HEALTHCARE MATTERS

- **MOST ACCIDENTS HAPPEN AT HOME! IT'S HARD TO BELIEVE BUT TRUE. WHEN WE ARE HOME WE ARE OUR MOST RELAXED AND LET OUR DEFENSIVE GUARD DOWN WHICH CAN LEAD TO INJURIES FOR THAT VERY REASON.**
- **YOUR FAMILY AND LOVED ONES DON'T WANT TO SEE YOU INJURED OR SICK BECAUSE OF SOMETHING THAT COULD HAVE BEEN PREVENTED.**
- **A TRIP TO THE EMERGENCY ROOM IS VERY COSTLY. IT'S COSTLY TO YOU AS THE PATIENT, COSTLY TO THOSE THAT CARE FOR YOU AND COSTLY TO INSURANCE COMPANIES THAT WANT TO KEEP YOU AS HEALTHY AS POSSIBLE AND KEEP THEIR COSTS DOWN.**
- **THE BEST PLACE TO KEEP SOMEONE HEALTHY IS AT HOME. HELP WITH PERSONAL CHORES, WITH FOOD AND DIET, WITH SECURING THEIR ENVIRONMENT, WITH STAYING ON SCHEDULE FOR TAKING MEDICATIONS ARE SOME OF THE REASONS WHY IT MATTERS!**
